THE SCHOOL DUA

Oh! Allah, Benefit us with what you have taught us.

Oh! Allah, teach us what is beneficial to us.

Oh! Allah, make us, our people and relatives knowledgeable in our religion together with all female and male members of our society.

Feed us with lawful provision forever. Forgive us, you are the most exalted, our Lord.

Oh! Our Lord advance us in knowledge and grant us wisdom

I ask you oh! My Lord , The one who raised the heaven

Preserve me in my religion and from the temptation of the soul,

Make me strong in my studies with commitment and wisdom.

Protect my parents and all my friends

Bestow peace in my country with high respect and honour

Oh! The most provider,

Oh! My Lord, answer my prayer

Oh! Allah accept my prayer

Oh! Allah accept my prayer

The lord of the universe.
