## 10. DISCIPLINE AND PARENTING TIPS:

1. Throughout the year we have been handling cases of indiscipline here and there. Most of these cases arise as a result of too much freedom that is given to children to access television and social media. Alhamdulillah at least by the close of the year our children have been shaped to practice their Deen to a desirable degree. Thus we kindly appeal to ensure this continuity by:
  - i. Creating a conducive atmosphere for them to encourage continuous practicing.
  - ii. Spend quality time with them.
  - iii. Serve as role models, for actions speak louder than words, let the children see the value of honesty, truthfulness, hard work and humbly fear of Allah in you.

We have further enclosed herein a checklist that will guide the children practice their Deen. Sit with them and fill it on a weekly basis, discuss with them their progress acknowledge and reward their achievements and help them overcome their challenges

**N.B.** Every child will be expected to bring back the checklist completed and signed by the parent.

### **Recommended dua for parents to recite often**

قال تعالى "والذين يقولون ربنا هب لنا من ازواجنا وذرياتنا قررة اعين واجعلنا للمتقين اماما"  
سورة الفرقان

"Our Lord! Bestow on us from our spouses and our offsprings who will be the comfort of our eyes and make us leaders for the pious".

We wish you a very happy holiday and we are looking forward seeing you back next term Insha-Allah.

Yours in service,

HAJAT AISHA NAMBOOZE
